## Which location is a greater place of respect and remembrance in honoring the cremated remains of your loved one?

Keeping the cremated remains of your loved one in your home makes it less likely that other family or friends can visit, pray and remember the life of someone close to you and them.

The peaceful surroundings and one of a kind works of art in the Cincinnati Catholic Cemeteries provide a Sacred Place for prayer and reflection of those who have left an everlasting impression in our hearts.

The Cincinnati Catholic Cemeteries has many options for the burial or entombment of the cremated remains. We offer graves, cremation niches both indoors and outdoors, as well as private family estates in our cremation garden, and glass-front feature niches in our indoor mausoleums just to name a few.

Whether the cremation took place last week or ten years ago we honor the opportunity and the privilege the pray with you as you lay your loved one to rest. Please complete and mail in this form today so that a Cemetery Consultant can fully explain all of the many options available to you.
